

Notes over President articles

- Send troops to Africa (LRA) to help abused and hurt people
 - Role- Commander in Chief
- Ordering more troops to Afghanistan. Keep sending more until time to bring home.
 - Role- Commander in Chief
- Best for economy is to have a pipe line (oil) to Texas. Might be dangerous but is best for country and economy. Still under debate.
 - Role- Chief Guardian of the Economy
- Resolving debt crisis in Europe-top priority. Agreed to back up certain things with funds. Write down debt by 50%. Fix problems in banking across Europe.
 - Role- Chief of Diplomat
- Awarding medal of honor to a hero in Afghanistan. Still living. Fighting and deaths but helped as much as could.
 - Role- Commander in Chief, Chief of State
- Obama pull troops out. Promised by end of year, war in Iraq will be over. Some will stay behind to train new soldiers. A lot of deaths in Iraq war. Prime minister didn't want troops in Iraq.
 - Commander in Chief
- Obama sent troops and money to Haiti. Assured them the U.S. was here to help.
 - Role- Commander in Chief, Chief of Diplomat
- Obama raising gas to 4.00 \$ per gallon. But wants it to go down also, get rid of wasteful spending.
 - Role- Chief Guardian of Economy
- Reduce drug charges. Obama went to a drug company to figure out a solution.
 - Role- Chief of Guardian and Economy, Chief Executive
- Obama did better than Bush, pulling troops out. More concern for troops.
 - Role- Commander in Chief
